| Officers observed an individual knock over several items from a display case as they were leaving the building. Officers stopped the male and began to conduct a field interview. A female then walked up to the location where the field interview was being conducted and attempted to remove a bag from the male. Officers told her to stop and she became belligerent and began yelling. The female began to block the entranceway causing all pedestrian traffic to re-route. As the officers were speaking with the two individuals, an individual who observed the incident take place stated that the male went up to the counter, brandished a silver bladed knife and demanded food in exchange for \$1.50. The male was then told that no items were on sale for that amount. The individual stated that the male became verbally abusive and began screaming obscenities. The male then brandished the knife again and demanded a sandwich. The individual then proceeded to leave the area. A search was conducted for officer safety and a silver knife with a wooden handle was found in the male's pocket. The two individuals were then placed under arrest. |                 |                              |                                                    |        |
